## 2012 Creative Textile Workshops at Serendipity with Jill Amanda Kennedy

<p><b>January Tuesday 17<sup>th</sup></b>  <b>Introduction to free-machine embroidery</b>            Free-machine embroidery is easily learned, immensely creative and very addictive! When creating your sewing, fibre art or mixed media projects, use it to embroider your own patterns, produce stitched textures, make beautiful embellishments and thread sketch. An exciting machine technique with endless uses and well worth knowing about! <input type="checkbox"/></p>	<p><b>May Saturday 26<sup>th</sup></b>  <b>Putting the Text in Textiles: Make a tote bag</b>            Design and create your very own unique, graffiti-style textile tote incorporating print, paint, machine and fabric collage techniques. Fun fonts and stylish scripts will form the main part of the design. A fun and creative workshop! <input type="checkbox"/></p>
<p><b>February Saturday 4<sup>th</sup></b>  <b>Scrapbook Stitchery: A personal journey</b>            Make, machine quilt and embroider a fabric scrapbook journal in which to keep a personal record of your creativity in stitch. Use your journal to: house collected textile fragments and ephemera; record fibre experiments; practice embroidery stitches; showcase machined samples, thread sketched patterns and stitched doodling. Add more pages and watch your scrapbook journal grow! <input type="checkbox"/></p>	<p><b>May Tuesday 29<sup>th</sup></b>  <b>Part 3- Husqvarna Software: Design, digitize and embroider</b>            See February Part 1 for details <input type="checkbox"/></p>
<p><b>February Tuesday 14<sup>th</sup></b>  <b>Part 1- Husqvarna Software: Design, digitize and embroider</b>            Do you own a Husqvarna computerized embroidery sewing machine or are you thinking of purchasing one? Would you like to discover and learn about the many exciting design functions and embroidery features available? This 3 part course will introduce you to this exciting and creative technology. Using computer and embroidery software learn how to design, create, and digitize your very own embroideries. If you are a newcomer to the world of embroidery on your computer, there is a huge amount of fun and creativity in store. Speak to Jill if you have a different make of machine. <input type="checkbox"/></p>	<p><b>July Saturday 14<sup>th</sup></b>  <b>Fibre Art Fancies: Make stunning textile jewellery</b>            Make beautiful textile gems, jewels and ornaments and fashion them into original jewellery to wear, adorn or embellish! Reuse, upcycle and invent novelty ways to hang, pin or thread your fibre art fancies! An inspiring hand and/or machine workshop. <input type="checkbox"/></p>
<p><b>February Saturday 18<sup>th</sup></b>  <b>Artistic Appliqué: Birds &amp; hearts canvas art</b>            Come and create fun and folksy textile art, on a box canvas for your wall. Full of whimsical charm, this canvas will combine colourful bonded appliqué with free-machine embroidery, hand doodle stitching, buttons and bead embellishments. <input type="checkbox"/></p>	<p><b>July Tuesday 17<sup>th</sup></b>  <b>Bijoux Boxes: Embroidered, quilted and beaded</b>            Learn how to design, create and make stunning, jewel-like, richly embroidered boxes. Free-machine quilting and embroidery combine together with rich fabrics, threads, beads and embellishments to make a most personal and treasured gift. <input type="checkbox"/></p>
<p><b>March Tuesday 27<sup>th</sup></b>  <b>Part 2- Husqvarna Software: Design, digitize and embroider</b>            See February Part 1 for details <input type="checkbox"/></p>	<p><b>August Tuesday 21<sup>st</sup></b>  <b>Miniature Books: Bound and embroidered</b>            We shall bind watercolour paper into a small book and embroider a cover to make an intimate, hand bound book. Hand and/or free-machine embroidery, together with beaded and applied embellishments are used to embroider this precious little book. <input type="checkbox"/></p>
<p><b>March Saturday 31<sup>st</sup></b>  <b>Silk Sensations: Drawstring purse or book wrap</b>            Silk fibres, threads, strippings, cocoons and more, will be used to make quick embossed silk paper, embellishments and beads. Luscious, iridescent paints and foils together with machine and/or hand stitching will be combined to decorate your silk collection, in readiness to make into either a purse or book wrap. A day full of everything silk! <input type="checkbox"/></p>	<p><b>August Saturday 25<sup>th</sup></b>  <b>Fancy Folk Art? Free-machine embroidered cushion</b>            Design and make a beautiful Hungarian inspired folk art cushion, decorated with themes such as flowers, leaves, birds and spiral ornaments. Free-machine embroidery techniques using interesting machine threads such as Lana, Cotona, Perlé, etc will be used to make a stunning cushion. <input type="checkbox"/></p>
